

Global Macro Trend

Demography
(Resource scarcity, aging infra, mega-city healthcare, automation, attitude change)

Geopolitical Competition

Power Boom (data center) + Electrification (industry, EV)

Cross-Cutting Example:
Port upgrade + Rail -> Power -> H2 -> Digital Twins
Data center -> Power -> CCS + CDR -> Systems Integration

Proposed Services:
Advisory
Research
Engineering
Systems Integration
Environmental Services
Transaction Services
Program Management
Data science tools
